

RECENT VISITS TO OUR CENTRE

In February, our Past President, Datin Julia Tan brought a Malaysian delegation to see our facilities. The ladies gave us a very generous donation of the collections at the crafts bazaar as well as the international bazaar. They also brought some goodies for our school children.. The visitors were very impressed by the educational activities and the Medical Center facilities. Thank you everyone for making these visits so meaningful.

Datin Julia Tan with our school children.

The Delegation of Malaysian Ladies with some of our members.

On 2nd February, 2010 Mrs. Sally Roemer, wife of the US Ambassador to India, visited the medical centre. She was very appreciative of the work being done by us.

Dr. Gudrun Loewner from Germany visited our centre just before Christmas in December. She took beautiful photographs of our Pre-school Christmas function and the Medical Centre. We thank her for taking time out from her busy schedule and for her generous gift of the picture CD and the many colorful and memorable photographs.

Dr Volker Huelck and Mrs. Wiltrud Huelck from Germany visited our afternoon class to see our work and meet the girl they are supporting financially. They took photographs and attended our Maths tutorials.

Holi was a fun event at school with children using dry herbal colours and flower petals to play with. The audience too was greeted with a 'tilak' and petal showers. The traditional Holi mithai 'gujyas' were distributed by **Raylene Day, President of Australia and New Zealand Women's Association (ANZA)**. A special lunch by Geeta Bhatia added to the festive flavour. ANZA Delhi gave Rs 55,000/- towards building a toilet block for the children in the new school building. Thank you Raylene and Linley.

We also like to acknowledge the enthusiastic participation of all **UK Gap Guru Students** who are very helpful and affectionate towards our Tutorial students. We enjoy their presence in our class.

APRIL 2010

Current News

Other On going Activities

Haemoglobin Testing

On the 2nd February, 2010, Dr. Santosh Sahi organized the blood test of the students at St. Michael's Girl's Hostel- Bhogal. All the students were given medication for de-worming.

Hot samosas were taken for their tea-time snack. Ellen brought toffees. The girls were in great form, they danced to their favourite bhangra music and Dr. Santosh joined in the dancing. They had a laughter session which was highly recommend by Dr.Santosh.

Blind School (NAB) R.K. Puram, Sector- V

We sponsored a lunch for 250 students on Saturday 6th February, 2010.

Before the lunch the little children from standard 1st and K.G. entertained us with their singing and dancing. They were like dolls in their beautiful coloured outfits.

A **general Health camp** including ENT, EYE was organized at DLF on 7th February, 2010. Seven hundred and ten (710) patients attended the camp.

Cancer cum General Health camp was organized at RK Puram in collaboration with Breast

Cancer Patients Benefit Foundation. 235 patients attended the camp.

The highlight of the month was the Annual picnic hosted by **Lady Stagg** at her residence. Children thoroughly enjoyed the morning spent in the manicured lawns. Lady Stagg was the perfect hostess providing all the eats and drinks and joined in all the fun and games.

We are looking for generous donors. Please be one!!

The construction on our new building, which is adjacent to the present medical centre has started. We need donations for our building fund. We hope to be able to help many more underprivileged children by expanding our school, giving more children scholarships, our special needs centre as well increasing medical facilities at the centre.
